FISCAL NOTE #2

STATE OF ALASKA
2006 LEGISLATIVE SESSION

BILL VERSION: CSSSHB 51(L&C)

ANALYSIS: (continued)

This legislation would open the workers' compensation self-insurance program to an indeterminate number of trade associations. Any association in existence for at least five years, composed of at least five member employers engaging in a similar trade or industry and belonging to an Alaskan trade association, could seek to self-insure their workers' compensation liabilities. This expansion of the program (currently comprised of a limited number of large employers and governmental entities) would require an increased level of regulatory oversight. The Division would need to employ an Insurance Financial Examiner to develop and oversee the new regulatory system.

Personal Services: Insurance Financial Examiner II will be responsible for developing a program and monitoring self insured employers and entities. (\$89.7)

Travel: Funding of \$7.7 is necessary for the travel, per diem and hotel costs to enable the Insurance Financial Examiner to go on-site to verify the financial status of self-insured entities. In addition, travel funds of \$2.0 is requested to attend necessary training.

Contractual: Contractual services for the new position include lease costs (\$6.7); mail (\$3.0); departmental administrative support costs (\$11.1); interdepartment chargeback costs (\$5.3); copies, printing, etc (\$4.0) and training (\$2.0).

Commodities: Funding of \$14.0 for supplies for the new positions is required. (\$12.0 for one-time set-up costs and \$2.0 for ongoing costs)
